RENOGY
TRUSTED ENERGY SOLUTIONS

RION PRO

Power Smarter. Go Farther.

Renogy Pro Lithium Battery — Reliable Energy for Every Journey

Lead Acid Batteries

VS

Renogy Pro Lithium Battery

Smarter power.
Fewer worries. More freedom.

- 2× Longer Runtime
- 50% Lighter
- 10-Year Lifespan

Low-Temperature Charging
Ready even in the cold — charges safely below freezing.

Bluetooth Enabled
Check battery status anytime with the Renogy App.

5,000 Cycle Battery Life
Built to last over 10 years of daily use.

Smart BMS Protection
Automatically guards against overcharge, short circuit, and temperature risks.

Automatic Heating Element
Self-heats for reliable performance in winter.

High Inverter Power Capability
Easily runs appliances, tools, and RV systems — just like home power.
